

Erratum to the article:

Samak M.M., Joukar F., Maroufizadeh S. et al. "Prevalence of Gastrointestinal Symptoms among Individuals with and without Diabetes: A Cross-Sectional Study from the PERSIAN Guilan Cohort Study". Clin Diabetol 2023; 12 (6): 370–376 (DOI: [10.5603/cd.96670](https://doi.org/10.5603/cd.96670)).

In the published manuscript titled „Prevalence of Gastrointestinal Symptoms among Individuals with and without Diabetes: A Cross-Sectional Study from the PERSIAN Guilan Cohort Study“ an error was identified in the Ethical Considerations section. The ethical code originally stated as “IR.GUMS.REC.1398.498” should be corrected to “IR.GUMS.REC.1398.482” (pp. 371 and 375).

The authors apologize for any confusion this may have caused and confirm that the study adhered to the correct ethical standards as per “IR.GUMS.REC.1398.482”.

Article available online: https://journals.viamedica.pl/clinical_diabetology/article/view/96670) is correct.
