

实验动物管理及福利伦理审查决议书

决议编号	ZJEY-20240215-01
动物实验项目名称	OGF-OGFr 通过激活 P16 和 P21 抑制细胞增殖和迁移，从而发挥抗肝细胞癌的作用
受理编号	202402-1301
申请时间	2024.02.13
是否通过初审	<input checked="" type="checkbox"/> 通过 <input type="checkbox"/> 不通过
会议或通讯审查的时间	2024-02-15
表决情况	<input checked="" type="checkbox"/> 符合动物福利伦理要求 <input type="checkbox"/> 需调整实验方案
审查决议	<input checked="" type="checkbox"/> 可以进行实验 <input type="checkbox"/> 调整方案后，可以进行实验
伦理委员会主任签字	

Resolution Paper of Laboratory Animal Management and Welfare Ethical Review Committee

Number of resolution	ZJEY-20240215-01
Name of experiment	OGF-OGFr exerts anti-hepatocellular carcinoma effects by activating P16 and P21 to inhibit cell proliferation and migration
Number of acception	202402-1301
Time of applicaiton	2024.02.13
Whether through the first trial	<input checked="" type="checkbox"/> Adoption <input type="checkbox"/> No adoption
Time of review	2024-02-15
Conclusive opinion	<input checked="" type="checkbox"/> Meet the requirements of Animal Care and Welfare Committee <input type="checkbox"/> Need to adjust experimental scheme
Review of resolution	<input checked="" type="checkbox"/> The research can be performed <input type="checkbox"/> After adjusting experimental protocol, the research can be performed
Signature of detector of Animal Care and Welfare Committee
