

09.11.2018

Dear Editor,

I present to you our manuscript titled **Is there any change in the frequency of pathology and anatomical variations in the maxillary sinus in elderly and edentulous state?** and the other authors certify that this study has not been published in any journal, that it is not under consideration for publication elsewhere, and that its submission for publication in **Folia Morphologica** has been approved by all of the authors and the institution where the work was carried out. Any change in my address, telephone or fax will immediately be directed to the Editorial Office.

I will be happy if you kindly accept our manuscript for editorial review.

I look forward to hearing from you.

Yours faithfully.

Numan DEDEOĞLU

Oğuzhan ALTUN

Conflict of interest: The authors deny any conflicts of interest related to this study.
