Certificate of English Editing

To whom it may concern,

This is to certify that the article entitled "Coexistence of tooth agenesis and ovarian cancer: A systematic literature review", by Weronika Gawron-Jakubek, Kazimierz Pityński, Joanna Spaczyńska, and Bartłomiej W. Loster, has been reviewed and edited for English language by Stiofán Ó Maoilbhreannain, a copyeditor experienced in preparing academic works for the press and for journals.
