## ARTICLE INFO

## Article history:

Received 3 July 2017

Accepted 4 July 2017

Available online 14 July 2017

The authors have just recently realized that they unfortunately have omitted one co-author who has contributed to the published work entitled “Cognitive impairment and BDNF serum levels”, authors: J. Siuda, M. Patalong-Ogiewa, W. Żmuda, M. Targosz-Gajniak, E. Niewiadomska, I. Matuszek, H. Jędrzejowska-Szypułka, M. Rudzińska-Bar.

Professor Joanna Lewin-Kowalik, the Head of the Department of Physiology, School of Medicine in Katowice, Medical University of Silesia, Katowice, Poland, has participated in the above study concept and study design. Measurements of the BDNF serum levels were performed in the laboratory located in this Department.

The authors regret this error and wish to ask for a Corrigendum and to include Prof. Lewin-Kowalik as the co-author.

**The revised authors list and authors affiliations, to include Professor Joanna Lewin-Kowalik:**
