"Maria Skłodowska-Curie Memorial Issue"

Sir,

I am writing to thank you for sending me the Memorial Issue of Maria Skłodowska-Curie, issued by the Polish oncological journal *Nowotwory* in 1998.

What an excellent tribute! I have read it cover to cover, and enjoyed it immensely...

Again, may I say "thank you" for sharing your Memorial Issue with me. It is so informative in text, and a delight to view the many photographs.

Sincerely

Sir,

What a wonderful gift you sent me - this 1998 Memorial Issue - of your Journal. I am learning more about the remarkable Maria Skłodowska-Curie legacy and admiring the beautiful lay-out of this publication.

I never had the pleasure of meeting Richard Mould but in my research for my article I came across many of his writings which reflect such wide interests. Seeing his name was like meeting a friend again.

I shall always treasure this beautiful book and I thank you for your thoughtfulness.

Sincerely
