Birmingham

May 20–23, 2017

ECE 2017 — 19th European Congress of Endocrinology
Lisbon, Portugal

May 25–26, 2017

IV International Radiopharmaceutical Conference "Theranostics and personalized therapy as the future of nuclear medicine"
<http://www.radiofarmacja2017.pl/>
Łódź, Poland

June 10–14, 2017

SNMMi Society of Nuclear Medicine and Molecular Imaging
Annual Meeting

June 23–24, 2017

7th Conference: Interdisciplinary Problems in Endocrinology
It has been 60 years since the first radioiodine therapy was applied in Poland. Therefore, this years' edition of the conference is dedicated to radionuclide therapy and its current role in different clinical settings. It is a joint symposium of the Polish societies of: nuclear medicine, endocrinology and thyroidology. Program of the conference is available at www.symposium.pl
Poznań, Poland

July 30–August 3, 2017

ESE Summer School on Endocrinology 2017
Berlin, Germany

October 12–15, 2017

5th Conference — Oncological Seminar
As usual, the conference is organized by Polish Society of Nuclear Medicine together with Lower Silesia Oncology Centre in Wrocław. The conference is divided into two parallel tracks: for technicians and nurses and for physicians (mainly nuclear medicine and oncologists). Different oncological topics will be presented.
Details and registration at www.ptmn.pl
Szklarska Poręba, Poland

October 21–25, 2017

EANM 2017
30th Annual Congress of the European Association of Nuclear Medicine
Vienna, Austria
