Source of funding.....

Conflict of interests.....

The author(s) hereby declare that:

- the design of experimental and clinical studies was approved by the appropriate ethics committee (name of the committee and approval no.)
- the manuscript has not been published before or submitted for consideration for publication elsewhere (except in the form of an abstract including less than 400 words)
- its publication has been approved by all co-authors (if any) and the responsible authorities at the institution in which the work has been carried out
- once the manuscript with figures and tables has been submitted and accepted for publication, all copyrights are transferred automatically and free of charge to the Polish Society of Anaesthesiology and Intensive Therapy (PTAiIT), who has the exclusive rights to reproduce and distribute the materials received in all known forms and fields of copyright exploitation, with no territorial and translation-related limitations. Moreover, the author(s) declare that the work will not be published elsewhere in any language without the permission of the copyright owner, i.e. the PTAiIT
- the Editor is authorised to modify the manuscript as necessary for publication
- the manuscript has been prepared according to the Editor guidelines
- all sources of funding have been listed
- they have familiarised themselves with the submission rules imposed by “Anaesthesiology Intensive Therapy” and agree to observe them

Date Signature of the author designated by the co-authors (if any).....
